# **School District Philosophy**

In carrying out its responsibilities, the Board of Education is guided by the desire to use the resources of its community, its staff and its students to provide the highest quality education permitted by its financial resources. In reaching decisions the Board will attempt in every case to act in the best interests of its students.

ADOPTED 1-20-98

#### **School Board Purpose and Roles**

The School Board of Education performs three basic functions in the management of the School District:

#### Legislative

The School Board shall exercise full legislative rule and management authority for the District by adopting policy and directing all procedures necessary for the governance of District educational and administrative responsibilities.

#### Executive

The School Board shall delegate to the Superintendent the responsibility of implementing all Board policy.

#### **Appraisal**

The School Board shall determine the effectiveness of policy implementation through evaluation of school operations, practices and program outcomes. The achievement level of students shall be the guiding standard through which all success shall be measured

ADOPTED 7-20-98

#### **Statement of Practices**

#### Attendance

Members shall attend all regularly scheduled Board of Education meetings insofar as possible. Any member failing to attend the meeting of the Board for three (3) consecutive regular meetings, unless excused by a majority of the Board for reasons satisfactory to the Board, shall be deemed to have vacated the seat; and the secretary of the Board shall certify that fact to the Board. The vacancy shall be filled as other vacancies occurring in the Board. Attendance for purposes of this provision shall be defined as actual, physical attendance at the Board meeting until all of the business of the Board has been completed unless a member is excused by a majority of the Board. However, Board members may participate fully via teleconferencing. If the Board meeting is required due to a bona fide emergency and if the emergency is stated on the record, Board members may also participate in roll call votes by other electronic means, including telephone.

#### Knowledge

Members shall come to Board of Education meetings informed concerning the issues to be considered.

#### Abstentions

Members shall avoid abstaining except when required by statute or Board policy. The members of the Board have been elected to make difficult decisions on behalf of the students, parents, patrons and employees of the district. The concept of trusteeship requires each member to review the issues under the Board's consideration and to take a stand regarding those issues. A member who has conformed to the above-described tenets of knowledge, open discussion, independent judgment, and independent and civility should be prepared to cast a vote on each of the issues before that member.

#### Cooperation/Delegation

Members shall work with other Board members to establish effective Board policies and to delegate authority for the administration of the schools to the Superintendent. Members shall not attempt to by-pass, undermine, or usurp the Superintendent's authority and responsibility for the daily operation of the schools.

# Conflict of Interest (Refer to Policy and Regulation 0342 – Nepotism, Conflict of Interest and Financial Disclosure)

Members shall avoid being placed in a position of conflict of interest and shall not use the Board position for personal or partisan gain. Members shall conduct themselves in accordance with the conflict-of-interest policy and disclosure requirements prescribed by statute and Board policy.

#### Confidentiality

Members shall not disclose confidential information. Information is confidential if it is (a) communicated during executive session; or (b) otherwise communicated with a mutual understanding of confidentiality.

#### **Acceptance of Gifts**

Members shall not solicit or accept gifts, payments, or anything greater than a nominal value item or holiday gifts of nominal value from any person, organization, group, or entity doing business or desiring to do business with the School District.

#### Contact with Vendors

Members, if contacted by a vendor requesting information about the District's bidding procedures, whether of a general nature or with regard to specific goods or services to be bid, shall provide the vendor with the name and business telephone number of the administrator responsible for purchasing such goods or services. The member shall request that the vendor contact the relevant administrator and direct all questions and concerns to that administrator.

#### **Board Communications to Staff**

All official communications, policies, and directives of staff interest and concern will be communicated to staff members through the Superintendent, and the Superintendent will employ such media as are appropriate to keep the staff fully informed of the Board's concerns and actions.

#### Visits to Schools

Individual Board members who, in their parental capacity, wish to visit the school(s) or classroom(s) of their child(ren) will follow the regular procedures for visitors. Board members who wish to visit other schools or classrooms as an informal expression of interest in school affairs will inform the Superintendent who will arrange such visit(s) through appropriate

principal(s). Official visits by Board members will be conducted only with the full knowledge of the Superintendent and principal(s) involved.

#### **Educational Welfare**

Members shall remember always that the first and greatest concern must be the educational welfare of the students attending the School District.

#### School Board Organization

#### **School Board Elections**

The qualified voters of the School District shall annually on the first Tuesday after the first Monday of April, elect two directors for terms of three years, except, effective for Board elections beginning in April of 1993, and each three years thereafter, when three directors shall be elected in compliance with regulations specified in state law.

An election shall not be held if the number of candidates who have filed for the Board is equal to the number of positions available. However, regardless of the number of Board vacancies and Board candidates, if a ballot proposition (i.e., tax levy, bond issue) is on the ballot, an election of Board members must be held. If no election would be held due to the number of candidates equaling the number of vacancies, the District will publish a notice containing the names of the candidates who will assume a Board directorship absent an election. This notice will be published in a newspaper of general circulation in the District on or by March 1 prior to the scheduled election.

### Qualified Voters in the School District

An individual must be a registered voter in order to vote in a school election. In order to vote, a person must be eighteen (18) years of age or older, must be a citizen of the United States, and must reside in the School District thirty (30) days.

## Candidate Qualification - Method of Filing

Qualified applicants for the Board may file for office beginning at 8:00 a.m. in the Superintendent's office commencing on the seventeenth (17th) Tuesday prior to the election and ending at 5:00 p.m. on the fourteenth (14th) Tuesday before the election. The candidate shall declare his/her intent to become a candidate, in person and in writing to the secretary of the Board of Education. The names of qualified candidates shall be placed on the ballot in the order of filing. The notice of election and certification of candidates must be submitted to the county clerk by the tenth Tuesday prior to the election. Candidates must comply with all of the prevailing laws concerning eligibility and campaign financing.

A candidate who files for one vacancy and later decides to run for another shall be positioned on the ballot according to the time when his/her change of declaration is received by the secretary of the Board, not on the basis of when the first petition was filed.

Candidates must be citizens of the United States and resident taxpayers of the District, reside in his/her state for one year next preceding their election or appointment, and be at least twenty-four (24) years of age. Candidates will be disqualified from participation in a Board election if, the candidate is delinquent in the payment of any state income taxes, personal property taxes,

municipal taxes, real property taxes on the residence of the candidate. Candidates must also complete a notarized copy of Form 0320 - Candidate's Place of Residence attesting that the candidate is not currently aware of any delinquency in the filing or payment of state income taxes, personal property taxes, municipal taxes or real property taxes on the candidate's place of residence. The candidate must further attest that they are not a past or present corporate officer of the office that owes any taxes to the state, which are not in dispute. Said affidavit (MCE Form 0320) must include a copy of the affidavit with the declaration of candidacy (MCE Form 0320.1). Failure to accurately complete and file Form 5120 with the Department of Revenue may disqualify a candidate from the ballot. Each newly elected or appointed director shall qualify and take his/her oath of office in the manner prescribed by law and according to Policy 0330 - Oath of Office.

No person may be a candidate for a position on the Board if such person is registered as a sex offender or is required to be registered as a sex offender under state law. Any Board member who is likewise required to register, or who is registered as a sex offender under state law will immediately be requested by the Board to resign from the Board. Should such Board member refuse to resign, the member will be ineligible to serve as a Board member at the end of his/her term.

In addition, no person shall qualify as a candidate for the Board of Education, who has been found guilty of, or has pled guilty to a felony or misdemeanor under federal law, or to a felony under Missouri law, or has been found guilty of an offense in another state, which would be considered to be a felony in the State of Missouri.

It is not the District's responsibility to investigate and determine a candidate's eligibility. That responsibility rests with the Department of Revenue and/or the County Election Authority.

## Expenditure of District Funds .

No contribution or expenditure of District funds will be made directly by any officer, employee, or agent of the District to advocate, support, or oppose the passage or defeat of any ballot measure, or the nomination or election of any candidate for public office, or to direct any public funds to, or pay any debts, or obligations of any committee supporting or opposing such ballot measure or candidates. This policy shall not be construed to prohibit any district official from making public appearances or from issuing press releases concerning such ballot issue.

Meetings

Meetings

#### Regular

The regular meeting of the Board shall be held on the <u>3rd Tuesday</u> in each month, at the hour of <u>7:00</u> p.m., except when a majority of the Board agrees in advance and public notice is given. Public meetings may be conducted in person or by conference call, video chats, Internet conferences, e-mails and Internet message board.

(Not less than twenty-four (24) hours written notice, stating the time and place of the meeting and the business to be considered will be given to each member.) Simultaneously with the giving of notice of such meeting to the members of the Board, a written notice of the meeting and the matters to be considered will be posted in the same manner as postings for regular Board meetings.

#### Quorum and Majority Vote

The presence of a majority of the Board constitutes a quorum for the transaction of business. However, the letting of contracts, employment of personnel, approval of bills for payment and the ordering of warrants require an affirmative vote of a majority of the Board.

#### **Closed Meetings**

The Board may vote to conduct closed executive sessions as provided for in Policy 0430 - Executive Sessions. In order to enter into executive session, such motion must be approved by a roll call majority vote. The motion to enter executive session must reference the specific statutory matters to be discussed.

Any Board member may object to the closing of a meeting, record or vote if the member believes the motion to close violates the sunshine law; such member(s) must object at or before the motion to close is voted upon and must vote against closing. ## Firearms and Weapons

Possession of firearms and weapons are prohibited from all school premises and school activities. The tentative agenda, related materials and minutes of the previous meeting shall be mailed to each member of the Board at least four days prior to the stated meeting unless a special emergency meeting is called at a time which makes the four day prior notice impossible.

The agenda for each meeting of the Board shall be adopted or modified by a motion by a majority of those Board members present. Once the agenda is approved, it shall require a vote of majority of the Board members present to make additional modifications.

The agenda for closed sessions shall be on a separate document; however, the motion to close a meeting must be voted on during a public meeting and must also include the reasons for closing the meeting with references to the specific topics under the provision of Section 610.021, RSMo. as valid grounds for a closed meeting session.
