

Parent's Right to Know

Date: July 23rd, 2025

Dear Parent or Guardian:

Our district is required to inform you of information that you, according to the Every Student Succeeds Act of 2015 (Public Law 114-95), have the right to know.

Upon your request, our district is required to provide you in a timely manner, the following information:

- Whether your student's teacher has met State qualification and licensing criteria for the grade levels and subject area in which the teacher provides instruction.
- Whether your student's teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived.
- Whether your student's teacher is teaching in the field of discipline of the certification of the teacher.
- Whether your child is provided services by paraprofessionals, and if so, their qualifications.

In addition to the information that parents may request, a building receiving Title I.A. funds must provide to each individual parent:

- Information on the level of achievement and academic growth of your student, if applicable and available, on each of the State academic assessments required under Title I.A.
- Timely notice that your student has been assigned, or has been taught for 4 or more consecutive weeks by a teacher who has not met applicable State certification or licensure requirements at the grade level and subject area in which the teacher has been assigned.
